Dear DBS Families,

The Dothan Brook School is offering a free weekend snack pack to students who may need a little extra nutrition over the weekend. Starting October 3rd food will be placed in student backpacks on Fridays. Possible items might include granola bars, peanut butter, crackers, apple sauce, and nuts.

If you are interested, please complete the following form and return it to the school office. The names of families who express interest will be kept confidential and community volunteers will not know who is receiving the baskets. In addition, students who bring food home will receive it in a manner that does not identify them to their peers.

In the mean time, it is important to know that the Upper Valley has many supports available for families in need. The Haven and Listen Community Services offer food shelves. The food shelf at the Haven is open Monday 8:30 to 6:00 and Tuesday through Friday 8:30 to 4:00. Listen's program is available by calling 603.448.4553 to schedule an appointment. Listen also provides community dinners (Monday through Friday) at 5:00 in the new River Point Complex. Dartmouth also offers a weekly community dinner on Friday evening at 5:00 at Our Savior of Lutheran Church which is located at 5 Summer Street in Hanover.

Please let me know if you have any questions.
