

June 11th, 2021

Dear Students and Parents,

We greatly enjoyed meeting the incoming second graders today as we listened to Mrs. Spitzer's garden by Edith Pattou. The students created wonderful artwork portraying what type of plant they feel they would become if they started out as a seed. We had a fun time!

We are looking forward to being your teacher next year and are excited to get to know you more in the fall. When we return, we will be learning in our outdoor classroom spaces everyday. Please be sure to have:

- A backpack
- Close-toed shoes or mud/rain boots
- Pencils, markers, crayons, colored pencils
- Personal pencil sharpener (preferably without batteries)
- Water bottle
- Cloth face mask
- Personal hand sanitizer

We hope you have a wonderful summer break. We will be sure to have an exciting second grade year!

Your teachers,

Miss Wild
